# **HONOR CODE**

## **COACH'S CODE**

Soccer is a game for happiness.

The laws of soccer should be regarded as mutual agreement, the spirit of letter of which no one should try to evade or break.

Visiting teams and spectators are honored guest.

No advantages except those of superior skill should be sought.

Official decisions should be accepted without looking angry, no matter how unfair they may seem.

Winning is desirable, but winning at any cost defeats the purpose of the game.

Losing can be a triumph when the team has given its best.

The ideal is the greatest good to the greatest number.

In soccer, as in life, treat others as you would have them treat you.

## **PLAYER'S CODE**

Play the game for the game's sake.

Be generous when you win.

Be graceful when you lose.

Be fair always, no matter what the cost.

Obey the laws of the game.

Work for the good of you team.

Accept the decisions of the officials with good grace.

Believe in the honesty of your opponents.

Conduct yourself with honor and dignity.

## **PARENT'S CODE**

Parents should remember:

Children have more need of example than criticism.

Make athletic participation for your child and others a positive experience.

Attempt to relieve the pressure of competition, not increase it. A Child is easily affected by outside influences.

Be kind to your child's coach and to officials. They are volunteers giving of personal time and money to provide a recreational activity for you child.

The opponents are necessary friends. Without them, you child could not participate.

Applaud good plays by your team and by members of the opposing team.

Between the exuberance of the winner and the disappointment of the loser we find a person called a referee. All of them follow the same creed to watch every move of every player and to call the game to the best of his/her ability. Do not openly question his/her judgment and never the honesty. He/she is a symbol of fair play, integrity and sportsmanship.

Accept the results of each game. Encourage your child to: Be gracious in victory, and

Turn defeat to victory by working toward improvements.

# **TYSA President's Letter**

Dear Parents, Players and Volunteers:

Welcome to a new season and another exciting year of Youth Soccer in Houston!

The Timberline Board is dedicated to making the experience a positive one for all of the participants. We try to create an environment that will allow all of the players to develop both personal traits and soccer skills that will help them live life better. We want the players to not only learn the game but also to love the game so they may enjoy this great game well into their adult life

We have enjoyed the first full season of the new website that was used this past season with great success. The TYSA board hopes that you have enjoyed the new look of the website and as always we are striving to make it easier to communicate changes during the soccer season.

We also have enjoyed the coaches section of the website which allows each coach to print off game sheets, submit scores after the games are played, allowing the certifications of games to be quicker and more efficient. We tried to make our website as user friendly as possible and we think we have succeeded.

The TYSA board wishes to thank those that have volunteered for service to the Youth Soccer community in the past. Without your efforts this past year we could never have accomplished what we have. Without your commitment many soccer players would be diminished in their experience with the greatest game in the world. Thank you again from all of us on the TYSA board.

The TYSA Board joins me in wishing you and your players Fun and Fair Play this upcoming season.

Sincerely,

Hal Hutton, President  
Timberline Youth Soccer Association

### **RULE 7 - Minimum Play.**

7.1 Players must play fifty percent or more. Except during Cup play, all players must play fifty percent or more in each game, including all regular season games, scrimmages, tournaments and playoffs, but excluding exceptions granted by STYSA. A game may be forfeited if a player, who is present and ready to play, does not play such time. All players must be invited to every game in which the team participates, including tournaments and post season playoffs. Each team's registered coach will be held responsible for ensuring that each member of his/her team receives at least this minimum amount of playing time.

7.2 Notification. 8.4 Off-Season Camps. This Rule does not apply to off-season camps that are held between the end of STYSA Fall Championships and the beginning of the TYSA Spring Season or Cup Play; and the end of TYSA Spring Playoffs, if held, or until the player's team is eliminated from Cup Play to the beginning of the TYSA Fall Season.

8.5 Trainers. Division IV teams are prohibited from paying a soccer professional to train the team between seasons of play or when league is suspended, e.g., Spring Break. Players or teams in a league may be trained in the basic skills of soccer as long as that training is available to all members of the league. Players may participate in training provided by TYSA, a League or Club if such training is available at a minimal, if any, charge to all participants.

## **RULE 9 - Laws of the Game with TYSA Amendments.**

The laws of the game for TYSA shall be the Laws of the Game and Universal Guide for Referees with USSF Supplement printed by the USSF with the permission of FIFA, except as set forth in this Rule. In case of conflict, the official rules of FIFA or STYSA will take precedence.

## **RULE 10 - Scheduling.**

10.1 Official schedule. The official schedule will be posted on the TYSA Website: <<http://www.timberlinesoccer.com>>. Schedules will be updated by noon on Tuesday, and will not change for the upcoming weekend. All participants, including coaches and referee coordinators, must verify their schedules each week. If any schedule changes are made, the scheduler will send out a notice to all coaches.

10.1.1 Every team must play every game scheduled. Failure to comply will result in a TYSA fine. In the event a registered team withdraws after registration has closed, the member club will be fined.

10.2 Participating Teams: Each club must provide the TYSA Administrator and TYSA Scheduler with a list of teams wanting to participate in the TYSA Fall or Spring season by the specified deadlines. Team data must also be entered onto the TYSA website by the specified deadlines. Team information must include official team number, team name, coach's name, age group and division. Failure to meet the deadlines or changes after the deadlines will subject the club or team to D&P action.

10.3 Format. Scheduling formats are designed to provide the best level of competition for all players and to minimize travel when appropriate.

10.3.1 Division III U11-U14 and Division IV will play on Saturday only. Division II and Division III U15-U19 will play on Saturday and Sunday as needed. If it becomes necessary to reschedule games because of weather reasons to finish a season, the scheduler will make every effort to abide by this schedule but will do what is necessary to complete the season.

10.3.2 Scheduling formats will take into consideration a team's Invitational Tournaments if its coach notifies the TYSA Scheduler in writing of the team's intention to play an invitational tournament before the TYSA Calendar deadline.

10.4 Playing Season. The TYSA playing year will consist of two seasons, Fall and Spring.

10.4.1 The Fall Season will begin in September and conclude in November with STYSA playoffs in December. For those divisions requiring qualifying games, the season may start in August.

10.4.2 The Spring Season will begin in February/March and conclude by April/May. No regular season games will be scheduled on Easter weekend.

10.5 Scheduled play. Teams may be scheduled to play as follows:

10.5.1 Intra-club play between teams wholly within a single Member Club. Any club having five or more teams in any age level of recreational play may elect to schedule those teams on an intra-club basis. If a club decides to mix the age group of children on the teams, those teams entering post-season playoffs will be required to play in the older category. Fewer than five teams must be placed in a TYSA inter-club league. In the U11 age groups and older, if there are fewer than five teams in the TYSA inter-club league, the clubs' intra-club league teams may be required to pool with the inter-club teams to provide competition in a league.

10.5.2 Inter-club play between teams from different member clubs and/or leagues. All Division II league play shall be inter-club.

10.5.3 League play between teams of one or more Member Clubs for final placement within only that group of teams.

10.5.4 Bracket play between all leagues and teams within a group that are the same age, sex, and skill level.

10.6 Playoffs. Age Group TYSA Championship Playoffs will be held after each season. Teams must be certified by the Member Club as eligible to participate in the playoff.

10.6.1 TYSA Fall playoffs will be held the week preceding Thanksgiving for Divisions II and III and the week following Thanksgiving for Division IV. Playoffs for age groups with two or more brackets will be held before the date indicated by STYSA for notice of teams attending the District Playoffs to determine which teams will advance to STYSA Eastern District playoffs. This area should have an insert for playoff rules for Klein/TYSA teams.

10.6.2 TYSA Spring playoffs will be held the weekend following the end of the regular season.

10.6.3 Depending on the allocations that are allotted for Eastern District in the spring and fall seasons the following should be used for determining who represents TYSA in the Eastern District Playoffs for each age group. Klein must provide the TYSA Administrator 3 weeks prior to the end of the season a list of teams in each age group, both boys and girls along with the coaches names, contact numbers and where possible email addresses. Failure to do so may cause the Klein teams to be ineligible for the end of season playoffs.

#### 1 Allocation

When there is only one allocation given, the season age group winner from TYSA and the season age group winner from Klein will hold a one game playoff one week prior to Eastern District play if possible. The winner of the playoff game will be sent to Eastern District to fill the one allocation. If for some reason the winning team can't fulfill the obligation, the losing team from the playoff will fill the allocation.

#### 2 Allocations

When there are two allocations given, the season age group winner from TYSA and the season age group winner from Klein will fill the allocations. There will be no playoff. The TYSA team will be considered the first seed and the Klein team will be considered the second seed into the tournament.

#### 3 Allocations

When there are 3 allocations given, the season age group winner from TYSA and the season age group winner from Klein will fill the first two allocations. The TYSA team will be considered the first seed and the Klein team will be considered the second seed into the tournament. A one game playoff will be held one week prior to Eastern District

play if possible between the TYSA season age group runner-up and the Klein season age group runner-up. The winning team of this playoff game will fill the 3rd allocation for Eastern District play and will be considered the third seed. If for some reason the winning team from the playoff game can't fulfill the obligation, the losing team will fill the allocation.

10.7 Fields. Unlisted fields may not be used for TYSA scheduling purposes. By July 1, each club must provide TYSA with a listing of the fields intended for use during the playing season, together with maps, field size and whether the fields have lights, for inclusion in the "Redbook" and on the TYSA website. Each club must provide the TYSA Scheduler and TYSA Webmaster a listing of fields intended for use during the playing season by the specified deadlines prior to the start of each season, only after being properly registered with the TYSA Administrator for liability coverage. Field information provided to the TYSA Scheduler must include age groups for each field listed for intended use, availability (days and times), dates not available, and whether the field is lighted or not. Failure to comply with these rules may result in a TYSA fine.

10.8 Reschedule. Regularly scheduled inter-club games may only be rescheduled by the TYSA Scheduler. Games played without the TYSA Scheduler's approval will not be counted in league standings. A game may be rescheduled ONLY if a team would not have the minimum number of players designated in the TYSA exception to Law III. Reschedules will not be considered unless both coaches have agreed to the new game time. The team requesting the change shall make all arrangements for the rescheduled game, which shall be played on the opponent's home park.

10.8.1 Requests must be made using a TYSA game reschedule request form and delivered to the TYSA Scheduler at least fourteen days in advance of the regularly scheduled game.

10.8.2 Only one reschedule will be allowed per season. If the coach of the rescheduling team is certified, then consideration will be given for a second reschedule during the season. The TYSA scheduler will have the final say whether the reschedule will be allowed.

10.8.3 A team(s) that fails to play a rescheduled game forfeits that game and subjects the team to TYSA D & P Committee action.

10.9 Intra-club games. Scheduling of intra-club games is the responsibility of each Member Club. Any postponed intra-club game not played by the end of the regular season will be recorded as a double forfeit. Two forfeits by a team may result in disciplinary action.

10.10 Canceled or postponed games. Member Clubs must notify the TYSA scheduler by fax of any cancellations or postponements to the TYSA schedule at its field(s). Canceled or postponed games must be rescheduled as provided in this Rule. Games played without the TYSA Scheduler's approval will not be counted in league standings.

10.10.1 Cancellation prior to game time. Teams must show for all scheduled games unless the field is closed prior to game time as posted in the recorded message on the rainout number for the field.

10.10.2 Cancellation after the game begins. The center referee or a club official, who is not affiliated with either team participating in the match, can determine if the game will be suspended due to possible severe damage to the field or dangerous playing conditions. If the game is terminated prior to the end of the first half, the game must be replayed in its entirety. The TYSA Scheduler will determine when the game will be replayed. If the game is terminated after the end of the first half, the game shall be considered as complete, and the score will stand as it was at the termination of the game.

10.10.3 Other. If a game is not played the full length for any reason other than damage to the field or dangerous playing conditions, the TYSA D&P Committee may order the game rescheduled by the TYSA Scheduler, or if at least one half has been completed, order the game to stand as played.

The website will show "certify" or "certified" on the line of the games submitted.

11.2.1.6 Each coach shall certify the game results upon conclusion of the match by signing the Official Game Report. ### **RULE 16 - Discipline, Protest, and Grievance Procedures**

16.1 Purpose. The purpose of the TYSA Discipline, Protest and Grievance Procedures is to promote and ensure uniformity and consistency in the application of the rules and procedures of TYSA, including its Member Associations, STYSA, USYSA, USSF and FIFA. In addition, it is the purpose of these procedures to promote sportsmanlike and fair behavior on the part of players, coaches, managers, administrators, fans and supporters, in youth soccer.

16.2 STYSA procedures apply. The current STYSA Discipline, Protest and Grievance Procedures and the Progressive Discipline System, as posted on the TYSA Website <[www.timberlinesoccer.com](http://www.timberlinesoccer.com)>, will apply with the following exceptions:

16.2.1 TYSA Appeals Committee. The TYSA Appeals Committee shall be comprised of persons designated by the TYSA Bylaws and shall perform the duties and functions authorized by the TYSA Bylaws. Members of the Committee shall not have a conflict of interest in any matter being heard.

16.2.2 The TYSA grievance/protest fee shall be \$150.00. All fees will be submitted at the time of filing in the form of cash, personal, certified or cashier's checks made payable to TYSA.

16.2.3.2 Protest. Notice of a protest must be filed in writing within 72 hours after the game being protested. In addition, before the game a protest must be lodged with the referee before the game begins with regard to

- (a) fields or grounds,
- (b) goals or goal posts,
- (c) referees or assistant referees, or
- (d) timing of the game (e.g., late start).

At the game site. A protest must be lodged with the referee before leaving the game site with regard to

- (a) An obvious error in the application of the Laws of the Game that directly affects the outcome of the game, other than a judgment call of a referee, or
- (b) A violation by a team or its coach of a published STYSA or TYSA rule.

No later than six months if, for reasons beyond his or her control, the Protestor is not aware of the status of a player at the time the game was played, and the protest is based on such status.

16.2.4 Hearing procedures.

16.2.4.1 Pre-hearing Review. The Appeals Chairperson shall review any Appeals filing, together with the relevant rule(s), for form. A filing may be denied without a hearing for non-compliance with this Rule. The requesting party must be notified in writing of the denial, the reason for the denial, and the fact that no further action will be taken.

16.2.4.2 Preliminary Decision. When a matter has been properly filed, the Appeals Committee may render a preliminary decision. The requesting party must be notified in writing of the decision and informed that it may request a hearing within ten days of its receipt of the committee's decision. An open hearing shall be promptly scheduled upon

request. If no request for a hearing is received within ten days of receipt, the preliminary decision shall become final and is not appealable.

16.2.4.3 Hearing. If no preliminary decision is reached, an open hearing shall be promptly scheduled. At the hearing, the principal parties must be present for the presentation of witnesses and evidence. Deliberations of the committee shall be closed.

Hearing Date. A filing must be heard promptly and no later than 180 days after the alleged misconduct occurred except in the case of referee abuse or assault, which must be heard in accordance with USSF Rule 3041.

Notice. All parties to an Appeals filing must be notified in writing no later than three days prior to the hearing. Before the start of any hearing, an individual may waive such notice in writing.

Hearing Decision. Committee decisions shall only address the specific issues raised in the filing. Any other issue or rule violation, which becomes known during a hearing, shall be referred to the applicable authority and separately filed. A decision must be rendered within twenty days of the hearing, unless good cause is shown.

Notification of a Hearing Decision. The parties may request an oral decision within 72 hours of the hearing by contacting the Appeals Committee Chairperson. The parties shall also be notified in writing within ten business days of the hearing by one of the approved STYSA forms of notification.

16.2.5 Appeal. Only a final decision of the TYSA Appeals Committee after an open hearing shall be appealable.

16.2.6 Post Season Play. The following special rules shall govern protests in TYSA tournament and post-season play.

16.2.6.1 Protest Judge. At least seven days before the start of a tournament or playoff, the TYSA Appeals Chairperson shall designate one or more persons to hear any game protests at each location of play. More than one Protest Judge may be assigned to a location, but any decision shall be made by a majority decision of all judges appointed. The decision of the Protest Judge(s) shall be final and no appeal shall be allowed. However, misconduct by a Protest Judge shall subject that person/persons to separate disciplinary action.

16.2.6.2 Protest Filing. A written protest, containing the information required in this Rule, together with a \$150.00 fee, must be personally delivered to the Protest Judge, within 24 hours after the game being protested. A protest may not be filed after the start of the next scheduled game for either of the teams involved when involvement in such game is dependent upon the results of the game protested. Once a protest has been filed, the result of the game shall be suspended until the matter has been decided by the Protest Judge. If the protest/grievance can be settled in a preliminary manner, the D & P fee

shall be refunded. If the protest/grievance goes to a hearing, the D & P fee is nonrefundable. The Protest Judge shall decide the matter promptly and before the next scheduled game for either of the teams. The Protest Judge may decide the matter based upon the documentation or other information provided and may interview separately or collectively any witnesses before reaching a decision. The decision may be communicated orally to interested parties at any time, and it shall also be prepared in writing within ten days after it has been decided and shall be forwarded to the team coaches involved and to the TYSA Appeals Chairperson.

16.2.6.3 Remedy. A Protest Judge(s) can only order that: (1) the game stands as played, or (2) the game be replayed in its entirety.

# **TRAVEL INFORMATION**

## **TOURNAMENTS - TRAVEL PERMITS - EXHIBITION GAMES**

Tournament information should be available to you from your Club President or the STYSA SHOOTOUT. Please note that proper forms must be filed for all teams that register in tournaments. Your STYSA accident insurance is valid only at STYSA-sanctioned events.

## **TOURNAMENTS WITHIN SOUTH TEXAS YOUTH SOCCER ASSOCIATION**

STYSA requires any team, recreational or select, attending a tournament outside of their association to have USYSA player cards. Select teams are normally required to have USYSA player cards for all tournament play. This includes Timberline tournaments! If your team is entering a tournament and needs player cards, contact your member Club Administrator/Registrar. These player cards must be laminated by the coach or team manager after photos have been attached and players have signed. Allow one week's notice to obtain and properly prepare the cards.

## **OUT OF SOUTH TEXAS TRAVEL**

If you are planning to go to a tournament that is OUTSIDE of the South Texas boundaries, (and this includes Dallas, Plano, or other North Texas destinations--but not Austin or San Antonio), you need to file the following forms:

1. APPLICATION for travel permit.
2. ROSTER FORM.
3. Approved APPLICATION TO HOST tournaments or games.  
(This should be supplied by the host tournament)
4. LATE FEE, if applicable. (Less than 30 days notice.)

These forms can be obtained from the Timberline Administrator. Leave a message with your name, address, phone number and date of tournament. You must complete and send this paperwork to the TYSA administrator for approval and verification of players on your roster. The form will then be forwarded by TYSA to the state office for their approval. STYSA will notify the tournament director of your approval. Any team found traveling to a tournament outside of South Texas without the proper travel forms will be fined \$250, and travel requests from the team will be denied for no less than one year.

The address of the TYSA Administrator can be found on the page listing TYSA Board Members. All forms should be sent to the TYSA Administrator at least 30 days prior to the tournament date, to avoid fines.

If your trip is outside of North America (which includes the U.S., Mexico and Canada), your administrator will need to receive your application for travel, signed roster and a \$25 processing fee, made payable to the USSF, at least 90 days in advance of the trip. You must carry a copy of all approved forms with you when traveling to any tournament, as well as the laminated USYSA player cards.

## **EXHIBITION GAMES**

Scrimmages or games with foreign teams visiting our area or any games played by TYSA teams against any team from outside of STYSA require the filing of an APPLICATION TO HOST EXHIBITION GAMES. This form must be filed 30 days in advance.

## **INSURANCE**

The South Texas Youth Soccer Association insurance program will include a medical policy which is supplemental and covers all registered players, coaches, referees, and volunteer workers while they are involved in sanctioned soccer activities.

### **IF YOU NEED TO FILE A CLAIM:**

- 1) Print the STYSA insurance claim form from the TYSA website ([www.timberlinesoccer.com](http://www.timberlinesoccer.com)) or STYSA website ([www.stxsoccer.org](http://www.stxsoccer.org)).
  - 2) You must ask the medical providers to file first with your primary family insurance. Keep copies of all bills, descriptions of procedures, and payments by your primary insurance company.
  - 3) Complete the STYSA insurance claim form, attach the copies of bills as detailed above, and mail to the TYSA Administrator (listed in TYSA Board directory in this book).
- (Any late-arriving bills can be sent directly to the STYSA State Office, following their directions.) If there is no primary insurance, indicate so on the TYSA claim form, collect the bills and send to the TYSA Administrator. DO NOT advise the medical provider to directly bill the TYSA address! This will only delay your claim.

There is a \$100 deductible on all claims.
