Most common errors and conflicts occur here:

- Make sure to record any cards for BOTH teams before leaving the field
- Include the reason stated for the card
- Yellow cards (cautions) = 3 penalty points each and RED cards (ejections) = 9 penalty points each.
- Two yellow cards received in one game equal one red card and must be input to the Gotsoccer online scoring as a red card (2CT)
- This information must be entered by both coaches when entering the score online after the game. Player's name and penalty type must be designated on the game card and online.
- Verify that penalty is given to correct player on game card before signing. Once game card is signed by referee and coaches it is official.
- Coach is responsible for documenting game of suspension with a [Player/Coach Suspension Form](#) and sending it in to the TYSA Administrator with copy of game card. Forms are on Timberline website.

TIMBERLINE YOUTH SOCCER ASSOCIATION

- Register for KidSafe through your coaches account on Gotsoccer.
- You will receive a colored pass. This pass needs to have your picture attached, be signed and permanently laminated on both sides.
- The Pass must be visible at all times before and during the game. (Wear around the neck on a lanyard or clip to a jacket or jersey)
- If you do not have your Kidsafe pass at a game you cannot stand on the player side of the field. If there is no one with a current Kidsafe pass on the player's side of the field then the team is considered not to have a coach and cannot play the game.
